

Our Lady & St. Joseph's Catholic Primary School

Sports Premium Funding Annual Statement: 2024 - 2025

Introduction

In the academic year 2024-25 we received **£33, 430**. The money has been spent to fulfil the following grant conditions; additional money was invested by school to supplement our sports premium.

1. The engagement of all pupils in regular physical activity.
2. The profile of P.E. and sport raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching P.E. and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increasing participation in competitive sport.

Expenditure	Details	Sustainability	Impact and Evidence	Link to grant conditions	Cost
Show racism the red card	Children in year 3, 4 and 5 have had access to Show Racism the Red Card workshops. This has had a clear link to our equality and diversity mission which we have been promoting all year.	Children will have an understanding and awareness of racism and have also been told the correct ways to report it. As the school has a low BAME population this education is essential and equips the children with their transition to secondary school.	Children are up to date with current issues in sport and equality. For staff, it has also been an opportunity to see how to cover some of the more hard-hitting incidents with the children-they also have access to a wide range of resources such as websites and videos so they could teach it or cover it themselves in the future.	2 & 4	Free
The SSP Schools Sports Partnership SLA	The Durham and Chester-le-Street School Sport Partnership has created a calendar of events for local schools sign up to. Over the year there will be over 30 events planned events across all topics of the curriculum.	Pupils in EYFS developing early skills which will have an impact on their future engagement in sport. Teaching and non-teaching staff have been upskilled in curriculum and lunchtime activities.	Whole school has accessed expert coaching within the curriculum and after school. Covering a wide variety of sports including, football, rugby, athletics, OAA, cricket, netball and tennis. Class teachers work alongside expert coaches and use	1, 2, 3, 4 & 5	£8, 800

Living and loving together with our eyes focused on Jesus

	As well as the events, we will also receive curriculum and assessment support, a 6 week out of hours cub, sports leaders training, bus tokens and a sporting fundraiser to help us fund our extra-curricular trips e.g. outdoor learning trips.	Pupils are starting to understand the benefits of exercise and they enjoy participating in events, so they will therefore be encouraged to continue this positive attitude towards physical activity throughout their school life.	their planning and guidance to plan their own sessions. Pupils understand what it means by the term 'healthy living' and understand the different choices they can make to their lifestyle. A higher proportion of pupils achieving age related expectation.		
New sports equipment	Investment will be made in updating, replenishing and revamping the sports equipment and kit that we have in school. A variation of sporting activities will be taken into account when making these purchases. This will include all essential PE equipment such as bibs, balls and cones.	The quality of kit will be looked at on a year-by-year basis. PE essentials (e.g. bibs, balls, cones etc) will be replaced every 1-2 years.	Increased numbers of pupils accessing competitive sports in school and joining teams or signing up for events which allow them to represent the school. Safety ensured in P.E. lessons due to equipment being in correct working order. Duration of P.E. lessons being active increased per pupil due to extra equipment being available.	4	£1, 500
BWCET Celebration of Sport	BWCET organised and delivered a sports-themed day for Year 5 to give increased opportunities for participation, inclusivity and variety where children learned about how to live healthily and understand the physical and mental benefits of exercise. A main focus will be resourcing and engaging pupils in as many minority sports as possible.	We have created links with local sports clubs, who can deliver these activities in the future. This will also engage pupils inside and outside of schools with pupils accessing those sport clubs.	Engagement of the whole school in a wide variety of sports, targeted at those least active children in school. Increased participation in non-mainstream sports, which encourages children to try different sports. High quality SEND provision supported the development of SENCO and P.E. staff. Pupils given the opportunity to participate in sports in which they	1, 2, 3, 4 & 5	£2, 500

			could achieve a real sense of pride. New links created with local clubs allows pupils to access out of school sport.		
Subsidise transport to events	Subsidise transport costs for children to attend 30 plus sporting events across the year.	The success has seen money ringfenced from the main budget to allow access for all children to a variety of competitive sport next academic year.	To allow us to take more children to events so they can have the opportunity to represent the school. To allow the school to enter as many events as possible across the year with no boundaries. Families with limited transport options have the ability to participate in sporting activity.	5	£1, 000
Specialist Coaching and staff upskilling	To upskill teaching staff in delivering a quality P.E. curriculum via school staff working alongside specialist P.E. teacher. Use of Sport Premium to pay for a specialist teacher to provide P.E. lessons to each year group, allowing class teachers and TAs to observe, support and learn how to coach to a high standard.	Teaching staff have continued to learn from working with specialist PE teacher and they are now more confident in teaching PE to their year group. Teaching staff will now discuss training needs with the Curriculum Lead and specialist coach early in the autumn term, so any additional needs can be addressed in the next academic year. CPD required for planning units of learning in PE	Teachers are more confident in teaching sports as part of the PE curriculum provision. Teachers understand how to support less-able and SEND pupils, as well as how to challenge high-attaining pupils in PE.	3	£16, 730
Annual outward bound residential	To demonstrate a commitment to a greater variety of sports in the local community as well as personal development and subsidy of teambuilding exercises. A residential trip to Robinwood.	To continue the residential as annual event, enabling there to be a pinnacle of activity at the end of KS2 – ensuring pupils are developing the necessary skills for KS3.	Pupils are beginning to make links to activities in the wider community and are recognising that not all sport needs be competitive but offers comradeship and comradery.	4	£1, 500
Subject Lead training	The P.E. subject lead will continue their professional development in the P.E. role by attending subject leadership	The dedicated leadership release time will continue into the next academic year. The leader now has	High quality end of year assessment reports given to parents.	3	£400

	<p>courses across the year. The P.E. lead will also attend training courses provided by the local authority to upskill their knowledge and share with members of staff in school and our specialist coach. This cost will also include any cover/supply costs we incur during the year. The courses they will attend will vary and cover all topics of the curriculum to ensure best practice back in school.</p>	<p>a baseline to plan and evaluate a staff CPD programme.</p>	<p>Swimming data is accurate and published on the end of year annual statement.</p> <p>Staff have accessed a high quality CPD programme and questionnaires' reflect improved confidence in the teaching of P.E.</p>		
<p>Small School Cluster sports competitions</p>	<p>Children to make use of additional inter-Small School Cluster school competitions; as many pupils as possible participate in a competition.</p> <p>The games will be the precursor to children enjoying themselves.</p>	<p>Sport continues to have a high profile in school – this profile should be maintained in the next academic year through a commitment to PE and competitions.</p> <p>School will continue to develop competitive sport and look to the possibility a cluster wide (and beyond) calendar of competitions in throughout 2025-26..</p>	<p>Pupils feel proud to represent the school and receive certificates / medals. Through training and participation in events, pupils have developed skills in different sports.</p>	2, 4 & 5	£1, 000
Total Cost				£33, 430	

Year 6 Swimming Data (2024 – 2025)

What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	73%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, back stroke and breaststroke]?	73%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	87%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming, but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No
